

Make a Chatterbox

Step 1. Cut along the dashed line so that you have a square

Step 2.  Fold the square from corner 1 to corner 3, unfold and fold from corner 2 to corner 4.

Step 3. Lay the chatterbox out flat, with the corner and numbers face down.

Step 4.  Fold each corner into the centre point of the paper, which will form a square.

Step 5.  With the number side face down, fold each corner into the centre point of the square.

Step 6.  Fold the chatterbox in half so the numbers are on the outside.

Step 7.  It's now ready to play!
